

Respite

Take a break while we provide fun activities for your child

Book your child in with us for half a day or a day, so you can take some time out. Your child will have an experienced member of staff supporting them 1:1 at all times and helping them to enjoy a range of activities of their choice. These may include horse riding, activities with the animals (we have goats, pigs, rabbits, guinea pigs, rats, ducks, and chickens as well as the ponies and horses), time on the play equipment, sports, fun games, treasure hunts and arts and crafts. Sessions are tailored to your child's needs and interests.

Respite Sessions are available for booking on most days Monday to Friday over the summer for a minimum of two hours, up to a full day of 6 hours.

The cost is £30 per hour per staff member. You will need to visit us with your child in order for us to confirm we can meet their needs, prior to a booking being confirmed. Other terms and conditions also apply.

Please email Kath Carter at kath.newleaftriangle@gmail.com for a booking form, to arrange a visit or for further information.
